

The Bixby Development Foundation Presents

LEADERSHIP BIXBY

Leadership Bixby is a 7-session program, sponsored and coordinated by the Bixby Development Foundation, to identify, educate and develop a select group of Bixby citizens for positions of community leadership. Participants meet each month during September, October, November, January, February, March and April.

The program's principal goal is to build a resource of community leadership on a planned, continuing basis with four specific objectives:

- 1 To identify potential community leaders
- 2 To expand the leadership potential of participants by increasing their knowledge of Bixby and the critical issues that face the community and to introduce participants to present community leaders
- 3 To improve communications between present and future leaders
- 4 To provide a channel for those not presently in leadership roles to gain access to positions of community leadership in an informed and responsible manner

Course Schedule 2020-2021

History of Bixby.....	September 23, 2020
Leadership Development.....	October 28, 2020
