

Put on your green and gather your crew—it's time for Bixby's St. Patrick's Street Party! Hosted by the Bixby Metro Chamber, this family-friendly celebration features live music, local food trucks, games for all ages, and plenty of shamrock spirit. Whether you're dancing in the street or enjoying a laid-back afternoon with neighbors, it's a can't-miss community event that brings a little Irish luck (and a lot of fun) to downtown Bixby.

Buy Bixby is one of the state's most successful holiday shopping programs! It is designed to build awareness of, and excitement about, Bixby businesses. The "Buy Bixby" program provides people within our community and throughout the region with greater exposure to what Bixby has to offer. It helps keep more of our local citizens' shopping dollars in our community while drawing in new shoppers from outside of our community. The most exciting incentive of this program is cash and prizes during the most wonderful time of the year!

Christmas in July is a week long shop local challenge designed to boost community engagement and support local businesses. Residents and visitors are encouraged to explore and shop at participating Chamber Member businesses for a chance to win cash prizes. This festive mid-year celebration will transform participating businesses into a vibrant hub of activity, offering special promotions, discounts, and unique events that highlight the best our local shops have to offer.

2026 DATES: JULY 19-25
